UNT Policy 05.058: Administrative Leave for Fitness Program Participation For Full Time Regular Staff

A full time regular staff member must be a member of the University Faculty/Staff Fitness Program for any semester for which leave is requested. Membership is required because the program is approved by the Governor's Commission on Physical Fitness, and it provides supervised and structured activities, which can be verified within the agency.

To be eligible for such leave, the participant must obtain administrative approval from his/her department. Supervisors are encouraged to grant such approval, subject to scheduling and workload requirements of the department.

The individual must participate in a scheduled activity or class of the Fitness Program. Each day's participation must be for the full duration of instructor-led classes, or for the minimum length of time recommended by program guidelines for other activities.

The participant must sign the attendance role each day that leave is claimed.

The Coordinator of the Fitness Program shall maintain attendance rolls and membership records. A department may request verification of their employees' daily participation at any time.
